

TASC FORCE

TEAM ACTION TO SUPPORT COMMUNITIES

Mike Bierman, SM at our Westminster restaurant once again fired up his TASC Force team and this time volunteered for the American Cancer Society. As Mike reports, "We were honored to be a part of the Westminster, Colorado Relay for Life, benefiting the American Cancer Society. This was a huge event for our community that raised funds for cancer survivors and their families. More than 500 people attended the event, and with the help of our BJ's Foundation and local sponsors, we contributed more than \$1,500 to the cause. Our entire Management Team along with eighteen team members participated in the walk, and

we also donated 100 pizzas which we distributed at midnight to many of the participants. We were the only restaurant to donate food so the pizzas were a huge success.

I truly believe that we were able to help an important cause, build team unity, and build our brand as a community supporter with all the hard work from all our team members and management team. Thanks to our BJ's Foundation for its support and the monetary donation through the TASC Force program. We are truly honored to represent BJ's with our TASC Force in everything we do to help support the local community."

Mike, our thanks go to you and your team for helping to make a difference and for doing the right thing for the charity and for your community.

The team members involved were; Mandy Meyer, Ashleigh Walker, Brandon McClelland, Kaitlyn Broumpton, Audrey Baca, Leonora Mitchell, Amanda Krolopp, Christine Freeman, David Mercer, David "Chubbs" Brown, Kelli Green, Jen Ries, Megan Jorgensen, Megan Rathmann, Phil Ernest, Brittany Robertson, and Senior Manager Cody Kluck.
